

GREAT FUTURES START HERE.

Project Challenge

Please add the name of your Activity below.

The Secret Lives of Dogs

Please add the suggested grades below.

Suggested Grades: 1-5

The ability to learn more in depth about dogs and why we love them so much!
Our Project today will be about researching your favorite furry dog and then create your very own drawing of the dog of your choice!

(YDPs and or directors please add a brief description (two to three sentences) of what the activity will consist of; a synopsis.)

In today's activity, ADD

(YDPs and or directors please add essential resources such as links to videos, printouts, readings, pictures, etc. below.)

A little Help for the parents

Materials List

(YDPs and or directors please add the materials list below keeping in mind accessibility for our families.)

Help your child gather materials to make this activity.

1. Electronic Device
2. Google
3. You Tube
4. Coloring Pens, pencils, crayons and paper to draw with

Steps to Success

(YDPs and or directors are extremely clear with the steps. Remember that families will be reading the steps without us present thus it is essential that we are descriptive, instructive and orderly. We want to make it comprehensible.)

Follow these steps to help your child succeed.

1. Get your electronic device
2. Begin google searching fun facts about dogs
3. Read the provided information
4. You can select your favorite dog, or you can select one after your research
5. Create a picture using the listed supplies
6. Below are some easy examples of easy step by step drawings
7. Choose where you would like hang your picture
8. Have Fun!!!

Guiding, Inspiring, and Helpful Questions

(YDPs and or directors please add guiding, inspiring, and helpful questions. We want parents and students to use their imagination and think strategically! Please post a minimum of three questions.)

Does your child need a little encouragement? Use these questions to help guide him/her through the thinking process.

1. What are some breeds of dogs?
2. Do you prefer small dogs or large dogs?

Change Your Perspective!

(YDPs and or directors please add modifications to the activity. What can you change to include everyone? change the activities perspective? and or any modifications that families are welcomed to try to mix the activity up.)

How can you change the activity to make it more yours? Can you make it better or different?

1. Can you research other household pets?
2. Are the instructions clear and concise

Smart Questions

(YDPs and or directors please add “smart questions below”.)

Help your child understand and remember what the activity is about by guiding him/her through these final questions.

1. Can you use other materials other than drawing your favorite furry friend?
2. You are doing an amazing job
3. What other furry friends can you draw?

Share

Every project is more exciting when shared with those in your community. How can you share this project with others to get them excited about making this project?

With the BGCSL

Take pictures of your project and send them to Info@bgcsl.org and we'll post them in a slideshow and on Facebook for all to see!

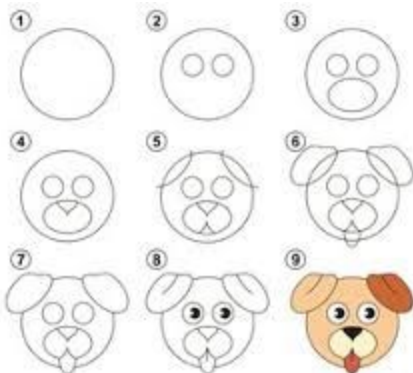

With Your Family, Friends & Community

Get online and on the phone and encourage your friends, family, and community to do this project!

Want to learn more?

ADD

(YDPs and or directors please add resources such as links, printouts, and readings that will allow students to dive deeper into the subject.)
